Subject: FTP Link for King Coal-Buffalo Mountain Files

Hi, Jessica,

Listed below is a link, user name, and password to post EPA files for the King Coal-Buffalo Mountain project. Please let me know with an email when you have files posted. There's another step on my end to get the files to FHWA, the Corps and DOH. Once I hear back from you, I'll be

able to take care of that and notify the others that the files are available.

Thanks!

Joe Romano
